## SUMMIT LYNX.

SummitLynx is a digital peak, hut & tour book on your smartphone (free app). Points are collected by reaching various targets (peaks, huts, lakes, churches, etc.). Upon reaching a certain number of points, you automatically receive a certificate via email and can collect a hiking pin (gold, silver, bronze - €3.00 each) at the tourist office. In addition to the classic hiking pins, there is also the "Tannbergbank" hiking pin (€5.00). This was created in cooperation with Lech Zürs and highlights the Tannberg trail with its history and culture. <https://www.warth-schroecken.at/en/summer/hiking-pin.html>

SummitLynx is a modern, sustainable alternative to the traditional hiking pass and offers an interesting, free way to make hiking exciting and attractive for families with teenage children (too old for the Murmele pass).

## NEW: CULTURAL SPACE & STUBA LÄDELE.

Also open in summer with new highlights:

A newly established herb garden with interesting and valuable information about the power of mountain herbs.
