## How it works.

- Register at [www.geocaching.com](http://www.geocaching.com) - here you'll find all general information as well as information about the two tours in Warth and Schröcken.
- Geocaches are associated with geo-coordinates that can be searched using a GPS-enabled smartphone (the Geocaching app is chargeable).
- Pick up the treasure map and stamp cards at the tourist office.
- Stamp cards must be stamped at selected caches.
