

Village trail Warth - „Visible“.

In just about an hour's walk, visitors along this idyllic path can enjoy the beauty of the surroundings while discovering eight "Visible" panels. These panels are more than just informational - they are windows into the past. Each panel presents views from earlier times, cleverly aligned so that visitors can directly compare them with today's landscape.

Start.
Hiking starting point at the village square in Warth (in front of the tourism office)

Duration.
1 hour
